## DEDICATION

Loyalty is a quality regarded by some to be of dubious nature in these shifting times; nevertheless, Mr. Pierce possesses an abundance of it. His loyalty to Brewer High, which prompts him to officiate at football games or chaperone school trips, is second only to his loyalty to its students. He always provides a sympathetic ear to the questions of his students, and more than that, takes an interest in their problems.

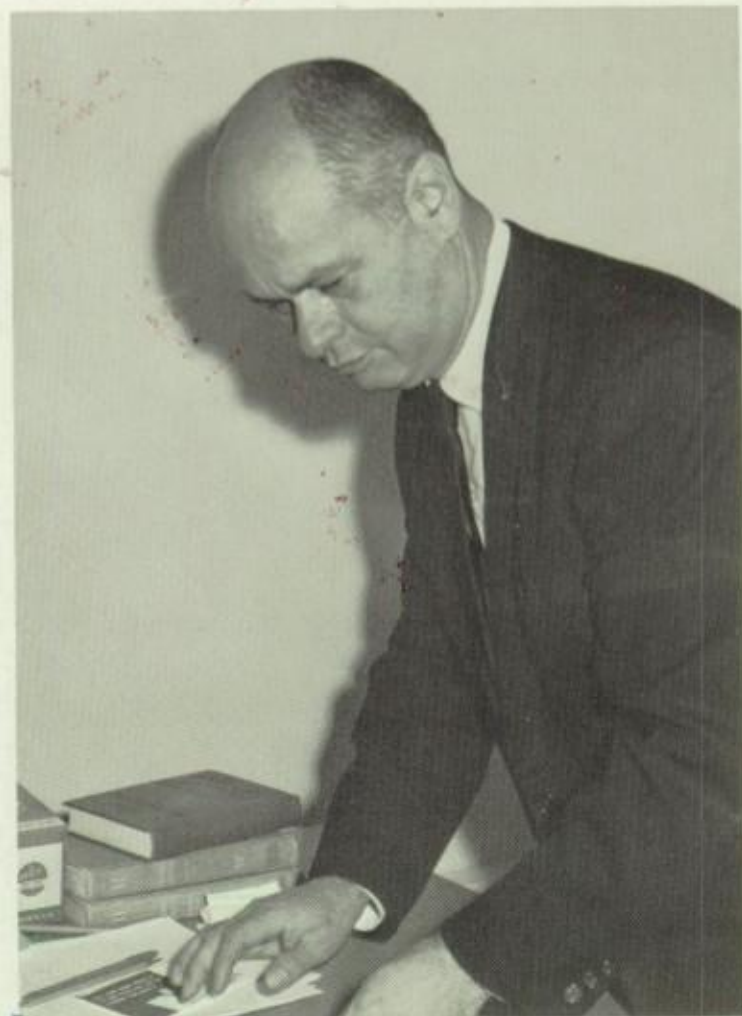

Perhaps a few stand in awe of Mr. Pierce; his decisive manner, his unabashed convictions, his brusqueness and self-assurance. Yet beneath this facade Mr. Pierce has dedication to his school and students that is unsurpassed. There is also a deep feeling of identification with the common man, which motivates him to uphold the less fortunate. We believe Mr. Pierce is a most uncommon man — dedication such as his is all too rare in times like these.

No one will forget the ringing words, "Where's your corridor pass?"

Mr. Pierce, God be with you.

SO MAN HAS CHANGED FROM A CREATURE  
INTERESTED IN LIFE TO ONE OBSESSED

# TO A BELOVED CLASSMATE

John Joseph Sullivan, Jr.

To all his classmates he was Jack, a likeable, happy fellow who went about his work willingly and cheerfully, full of fun, making friends and winning the approval of his teachers. Music was an important part of his life; he played the drums in the school band and sang in the chorus. Jack gave to his work a vigor that revealed the liveliness and merriment of his character. Jack was a member of the shooting team of the Rifle Club, an activity he enjoyed. In his community he belonged to the St. John's Episcopal Church and the Explorer Post No. 4.

The class of 1970 remembers him with affection and his memory will always linger with us and have a place in our hearts.

REASON IS A MONSTROUS JOKE ON THE  
INDIVIDUAL WHO POSSESSES IT. THE  
GODS LOOK DOWN AND LAUGH AT WHAT  
THEY HAVE DONE, LIKE SMALL BOYS WHO  
HAVE TIED A TIN CAN ON A DOG'S TAIL.

# CERAMICS

With over 80 students in ceramics, the assortment of pottery has been mounting. But through individual efforts, each object has its own original style and flourish. Each year the Art and Ceramics Clubs sponsor the Artist and Model Dance. This year Dan Dawe and Carole Lindsay were chosen as the Artist and Model of Brewer High.

Nola Martin, Ray Dolan, and Bonnie Allen put finishing touches on their Christmas gifts.

It is easy to see John Molinski, Sharon Warman, and Nelson McLaughlin put a lot of work into these intricate figures.

"The Informer" is a powerful one-act play taking place in Dublin during the 1922 Irish revolution. Frankie McPhillip, a member of the rebels, has been murdered through information given to the police by an informer. No member of the organization will be safe until Dan Gallagher, the leader, finds the informer. After talking to Frankie's family, two suspects, Peter the Rat Mulligan and Gypo Nolan, are brought in for questioning. When stories are compared, Gypo is accused of being the "dirty informer" and while he is asking for Mrs. McPhillip's forgiveness, Dan Gallagher kills him. The play was performed at Peakes's Auditorium on March 18.

## BASEBALL — 1969

## 1969 STATE CHAMPS

Witches Cop State Title

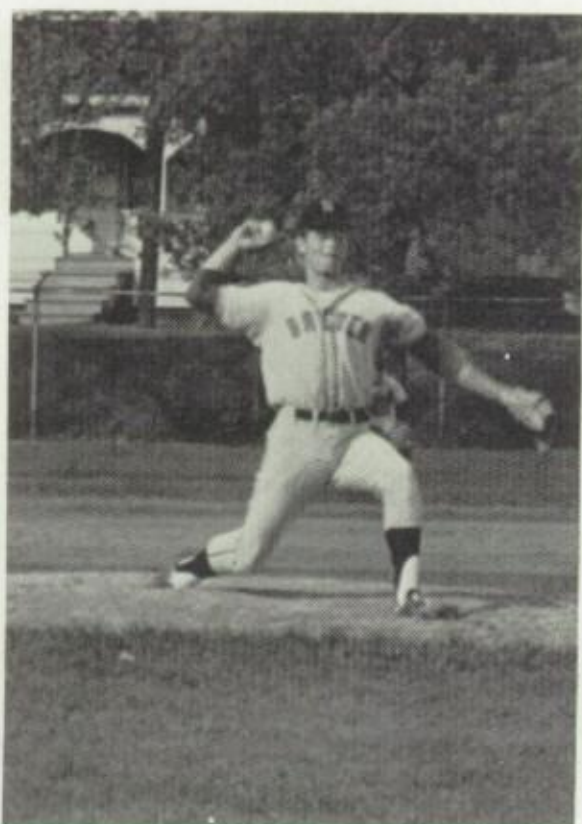

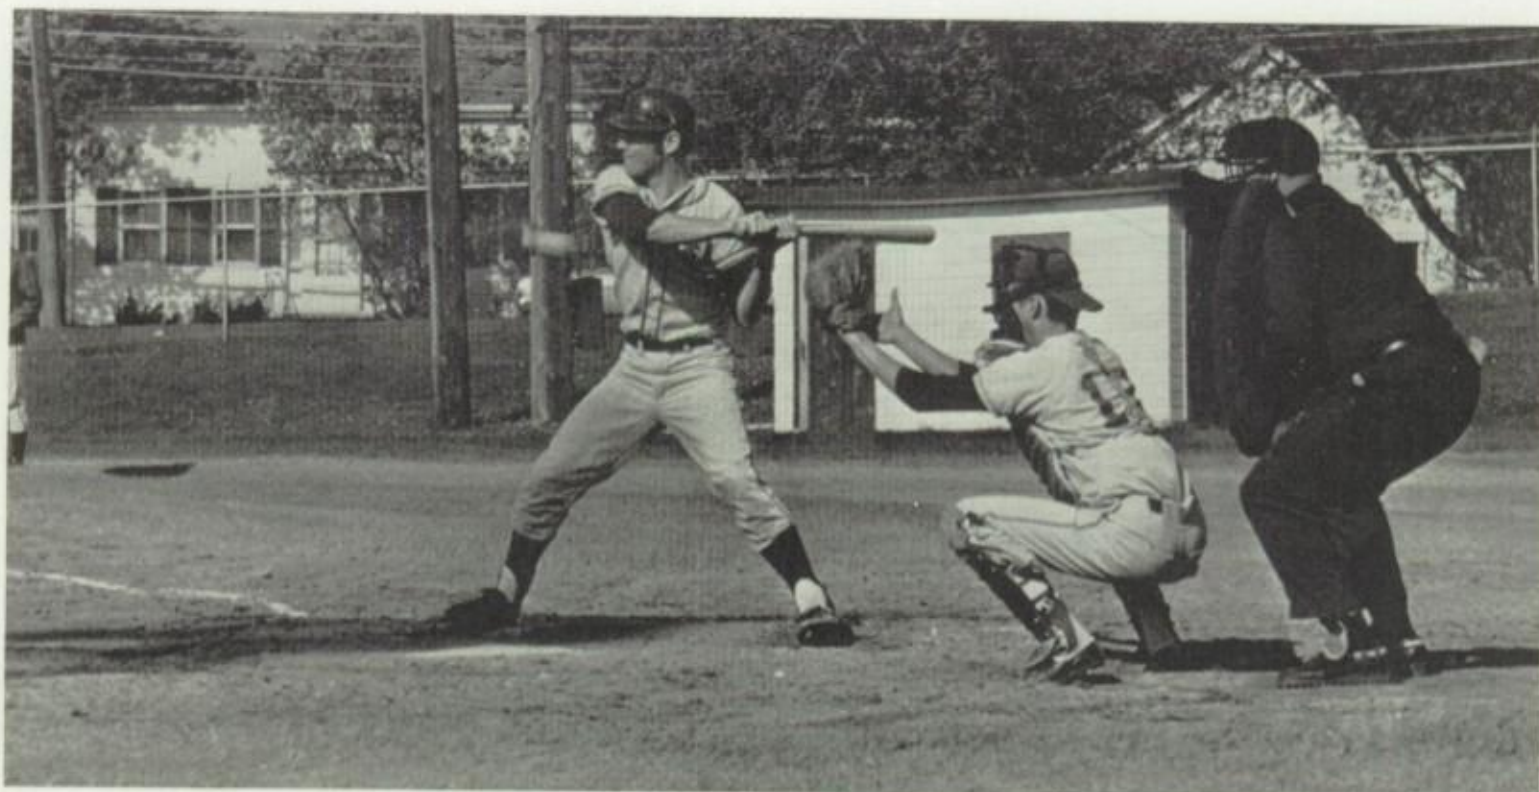

Coached by Ken Perrone and captained by Gene Coleman, the Brewer baseball team posted a 23-2 season. The twenty-three victories broke a thirty-one year school record of sixteen wins. The team set a new state record for total wins in a single season.

In addition to its P.V.C. championship, Brewer took its first state championship in twelve years.

Brewer's offense scored 264 runs, while its tough defense allowed opponents only 53 runs. This was due in part to the pitching of Dana Corey. Also four of Brewer's regulars: Dana Corey, Jim Libby, Steve Tardiff, and Dana Folsom hit over .300.

Hopes for another great season are high, with nineteen veterans on this year's squad.

# TRACK 1969

## TRACK TEAM HAS PACE SETTING YEAR

The 1969 Brewer track team had its best year in the history of the school. In addition to winning the P.V.C. meet for the fourth year in a row, they placed fourth in the state meet, the highest any Brewer team has placed in statewide competition. Brewer's team was undefeated by any rival until the state meet, where only three schools out of sixteen were able to score more than Brewer's twenty-nine points (another record for a Brewer team in state competition), thus giving them a 25-3 overall record for the season.

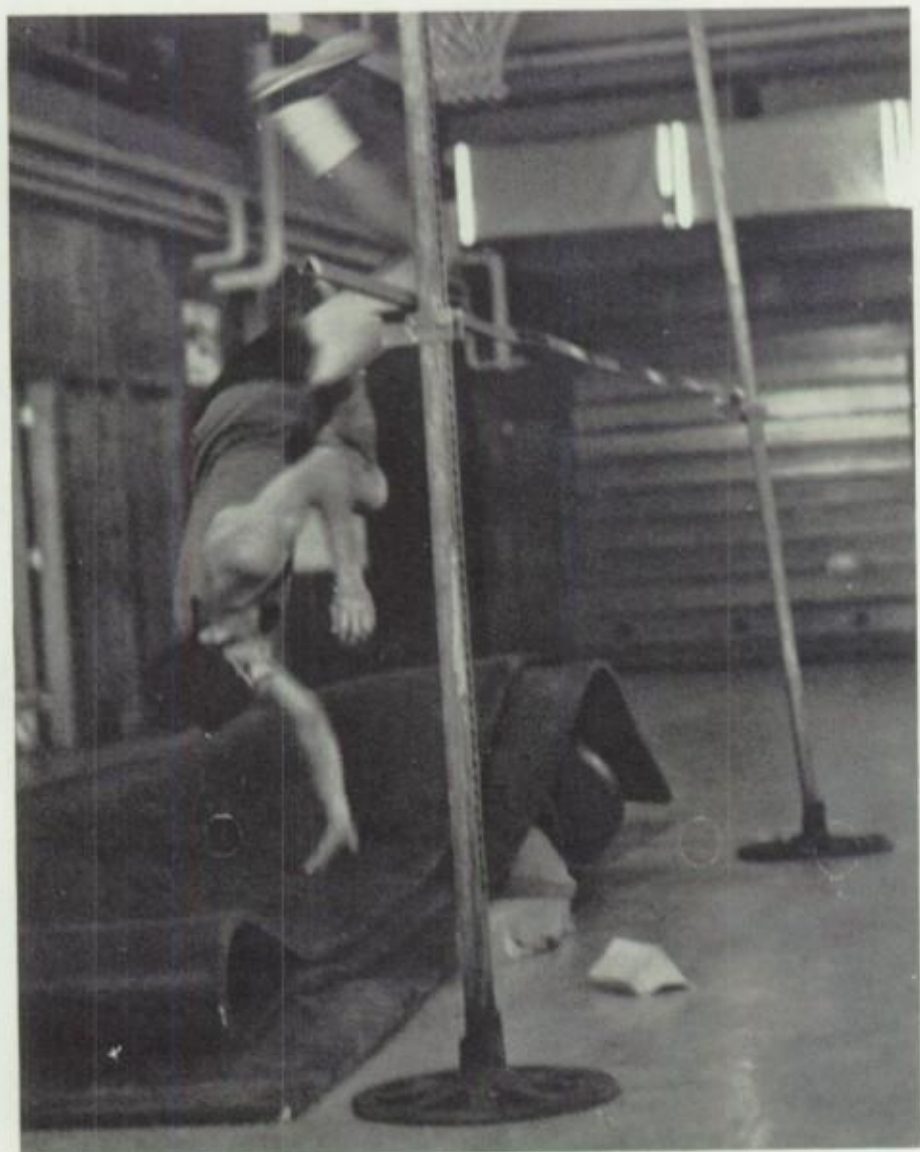

It was also one of the best years for individuals on the team. Records were set in eight out of sixteen events and, while some of the men did not set records, they placed high in the meets, with many showing great promise for 1970.

# MORE CHAMPIONS

Steve Landry, Jon Farley, Doug Maines, Phil Cyr, Tim Higgins, Bob Van Peursem.

Landry is the PVC champion in the 880 and was unbeaten last year until the state, where he placed 5th. Farley is one of our hopefuls in the mile this year, while Higgins showed great promise in the 2-mile. Van Peursem, Cyr, Maines, and Steve Sprague (not pictured) hold the record in the 880 relay, having come in 2nd in the state last year.

Gene Kirkpatrick (also the PVC high jump champ) leads the pack in practice for the low hurdles. Columbo Disalvatore is second. Columbo holds the school record in the high hurdles and was second in that event in the PVC.

With a smile on his face, Doug Maines wins the 440 at the State Meet in Waterville. He also is the PVC champ. Doug will be back for the 1970 season.

The Brewer High School Golf team started out its season with an almost inexperienced team with Ed Peterson and Everett McFarland, the only returning veterans. The new coach, Mr. Norris, built a whole new team which had a desire to win. We were a team to beat and those who played our team soon discovered this. At the end of the season, we had accumulated the best record in Brewer's Golf history. With our 16 wins and only 4 defeats, we ranked high in the state standings. Our whole team is coming back this year, and we have visions of a state title.

Under the tutoring of first year coach, Fred Pierce, the Brewer Dalers competed in a very successful season. Opening with three losses, Brewer finished the season by defeating thirty-seven teams in its remaining meets. Led by Brent Howard; Captain, Bob Candage; and Tim Higgins, Brewer placed second in the Regionals, first in the Sectionals, seventh in the State Meet, first in the Bangor Invitational, and won the Penobscot Valley Conference Championships.

This was accomplished with the remarkably small team of eight runners. Each team member won his letter.

Willoughby makes his move

The Witches, full of confidence from winning a Class A State Title, almost repeated another triumphant season, having over the last two years compiled a 19-2 record. Starting off the season with a smashing 49-0 victory over their arch-rival, John Bapst, the Witches lost only two games to Lewiston and Portland. The Timothy Geaghan Memorial Trophy was retained in a tremendous 20-0 white-washing of Bangor. This was the first time in thirty years that Bangor had been shut out and only the second time since 1903 that the Witches defeated the Rams two years in a row.

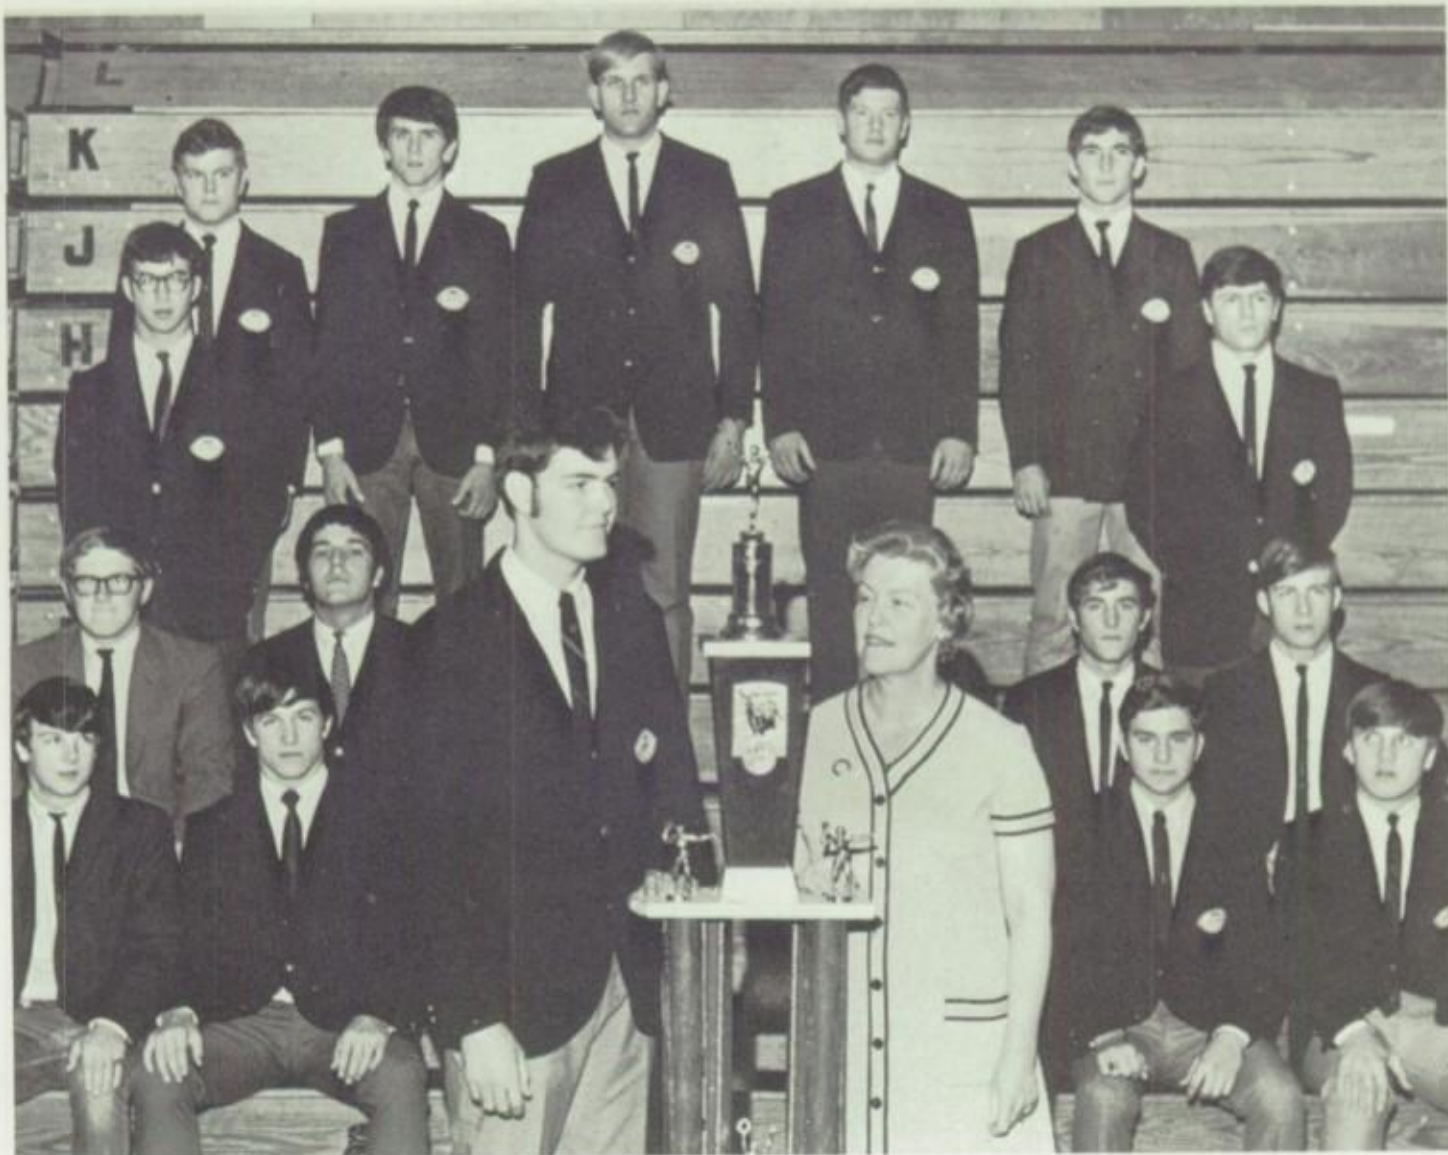

The year 1969 was also a year for many other accomplishments. Among them were these: extending their home-winning streak to fifteen games, and ending the season with five straight games.

The Brewer High Basketball team under the fine coaching of John Norris, had their first winning season in four years. The squad, at the time of publication, had a 8-7 record with three games remaining.

The first game of the season ended in disaster, as Old Town defeated Brewer in a close battle 66-71.

During the Christmas break, Brewer participated in the Howland Tournament. In the first game, Brewer defeated Lincoln 55-50. The following evening Brewer was defeated by a strong Orono team 51-55.

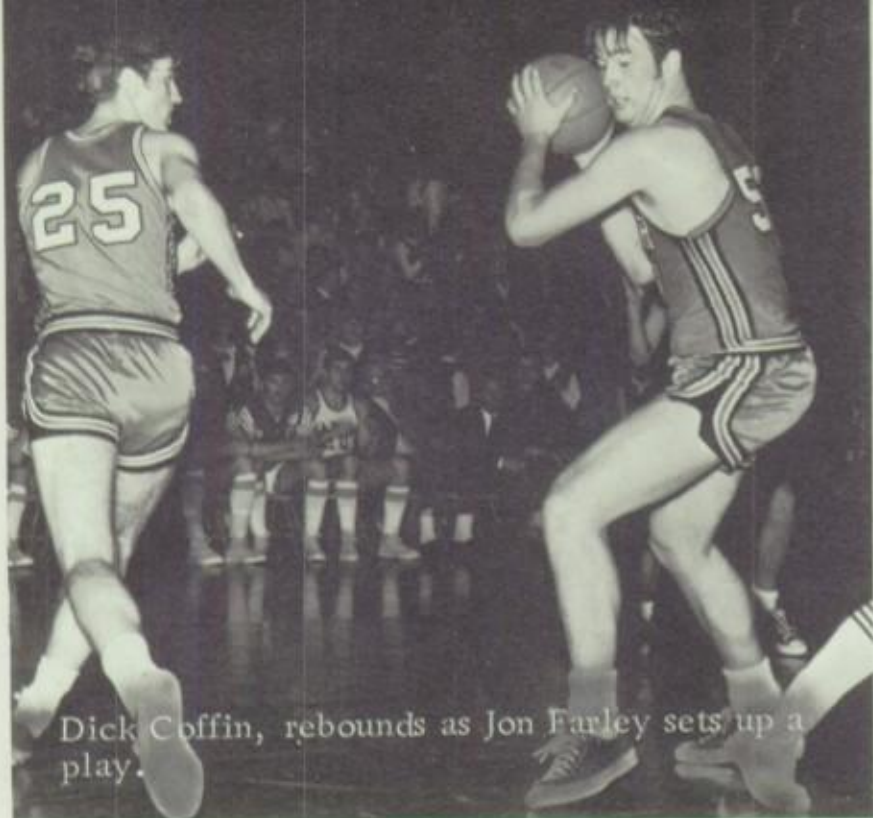

Following the Christmas tournament, Brewer won six games in a row, one each to Houlton, M.D.I., John Bapst, Belfast, Nokomis, and Rockland. The following night Brewer visited Stearns and went down to defeat 60-78.

The next Friday Brewer visited Houlton and were defeated 70-78 and the next Tuesday Brewer lost a heart breaker to Old Town 55-58. Coach Norris added some changes and Brewer halted M.D.I. 66-54.

Brewer's squad then dropped three games, Bangor 45-63, Rockland 81-72, and Stearns 62-93, and bounced back to defeat Belfast 66-49.

The Brewer J.V. team coached by James White, had a very fine season. Sporting a record of 10-4 at the time of publication, with four games left this team has a chance of "a" 14-4 record.

This year's team is the strongest in the last ten years at Brewer. Coach White's winning combination has been total team efforts and the use of a platoon system playing ten to twelve different players in a game. It can be said that this team will be a force to be reckoned with in the future.

## Senior Thesis

### I. Thoughts about the hereafter

(or . . . Is there a life after graduation?)

Seriously, graduation isn't the end, you know. It's just the beginning. And it could be the beginning of one of the most challenging and fulfilling times of your life. At New England Telephone. It could be, that is, if you want a job with a challenge as big as your ambition. We need people at New England Telephone — all kinds. People who are sincerely interested in the future. And who are looking for more from their job than just work! Your starting salary is good and you get automatic raises. *You don't need experience!* Your advancement is tailored to your talents. And you get excellent fringe benefits.

### II. See your Guidance Counselor

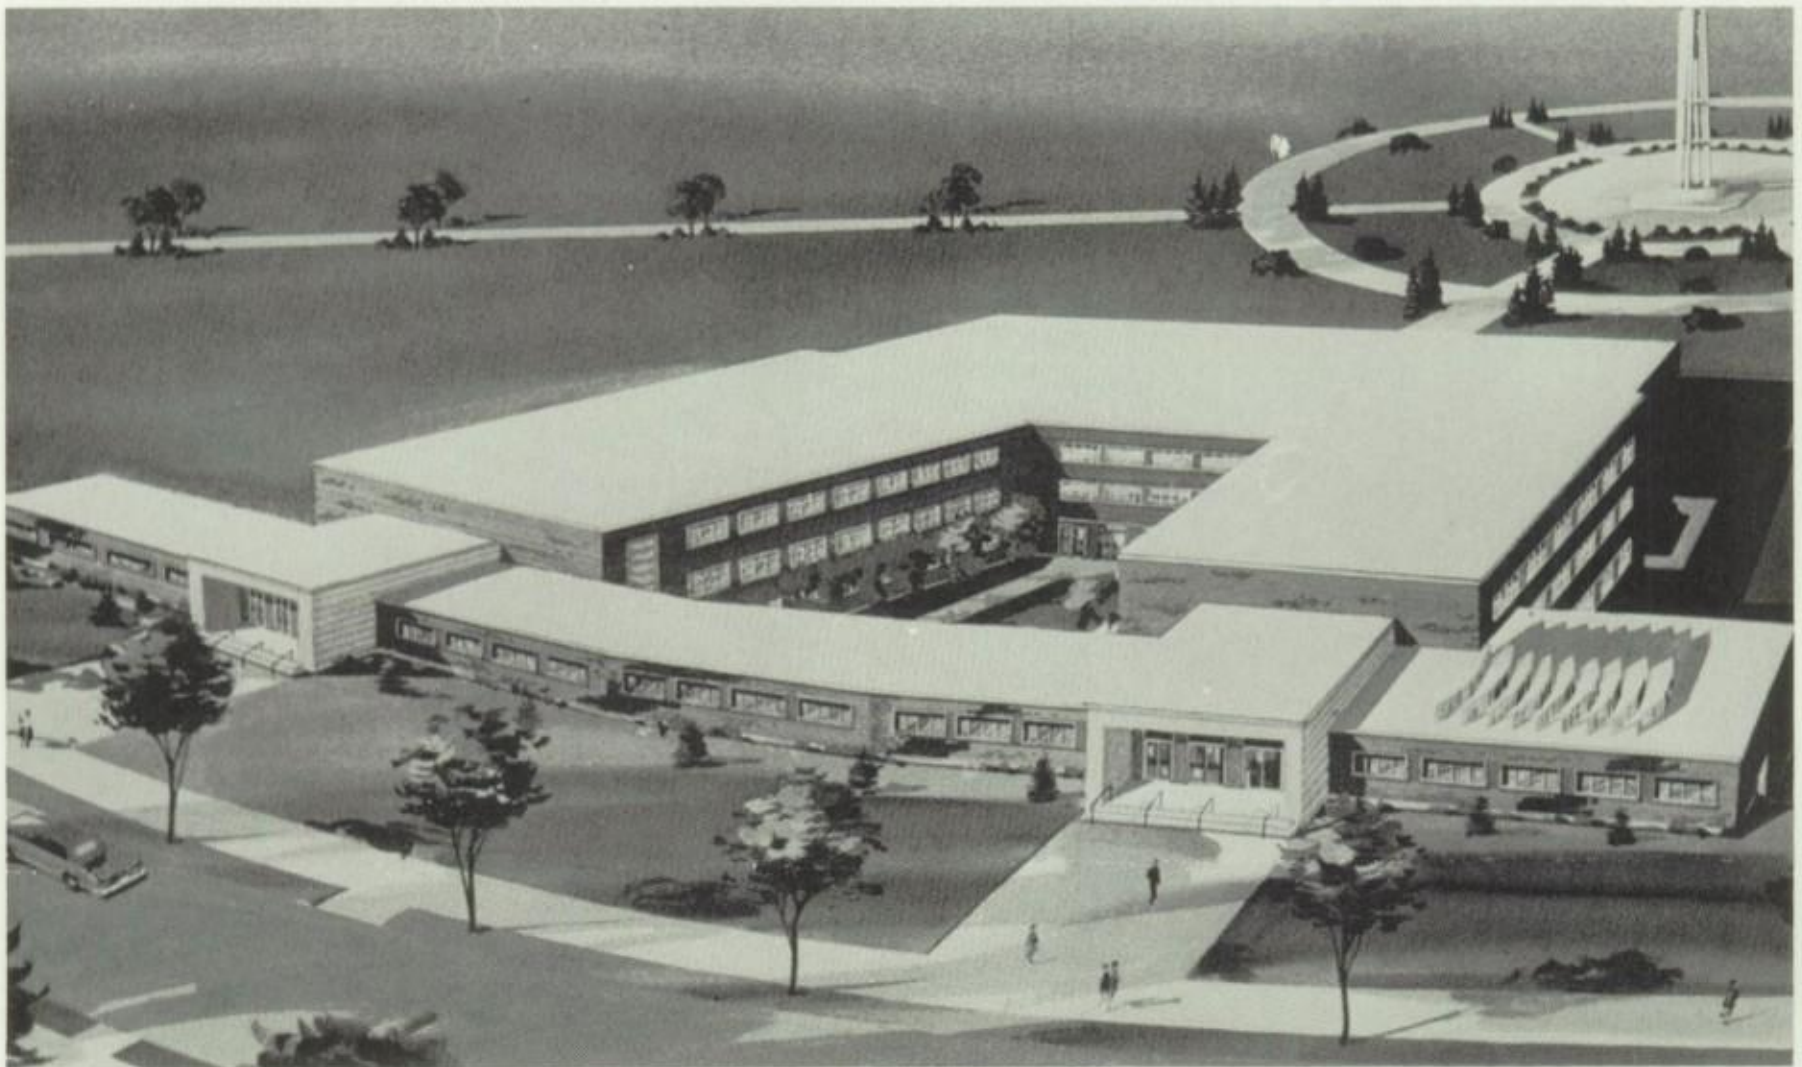

She'll tell you when and where you can apply for an interview to find out what the "hereafter's" like at

Cindy, it's been a riot being in your class, especially in lab this year. I didn't kill me or drown me. I wish you were taking the same subjects as I am next year so we could be in the same classes but we'll probably be in the same homeroom. You're one of the nicest kids I know, and I know you'll be successful in all you do.

### IN MEMORIAM

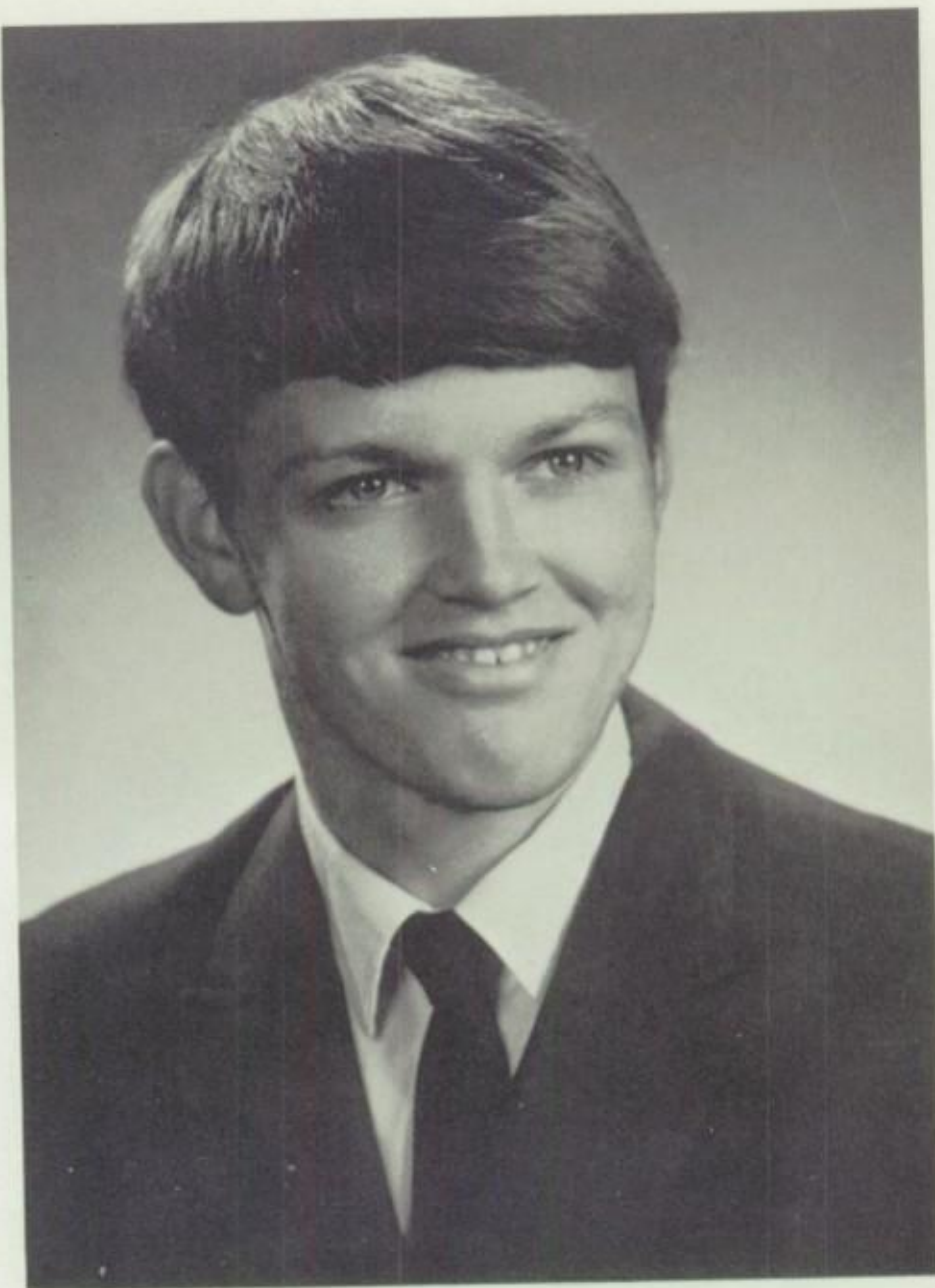

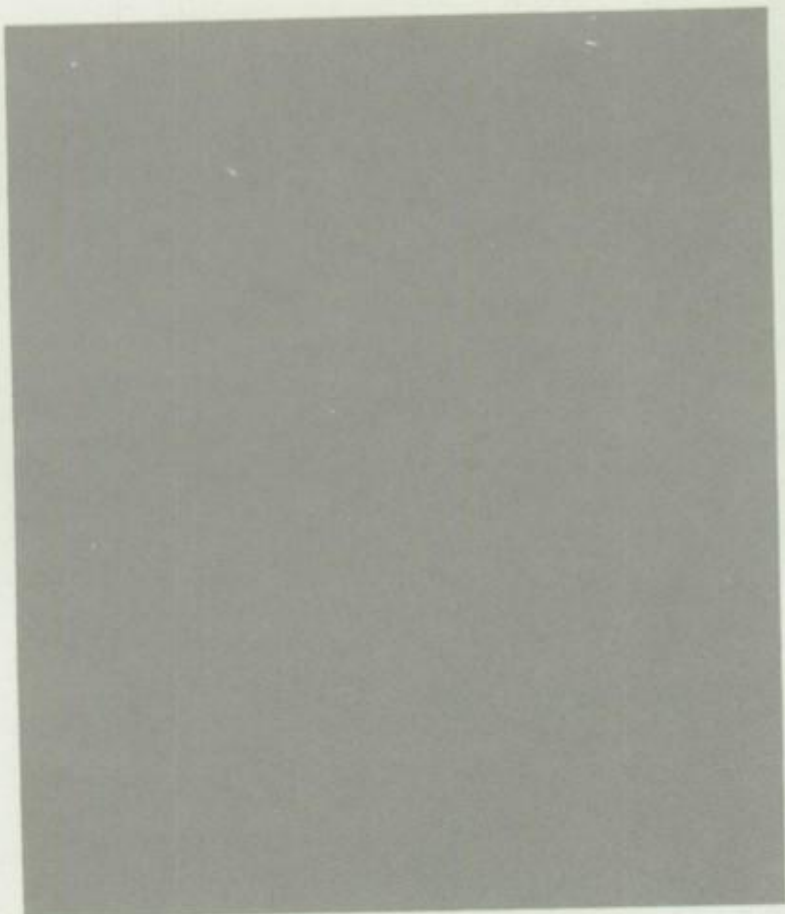

Shortly after noon of January twenty-third, tragedy struck the senior class. Two lives were snuffed out.

No words quite express the grief of the friends and classmates of Kenneth Parker, Jr. and Daniel Day. Perhaps youth learns how near is life to death -- the strand severed. So comes that chilling realization: "That could have been my best friend in that car!" They were the best friends of many of their classmates.

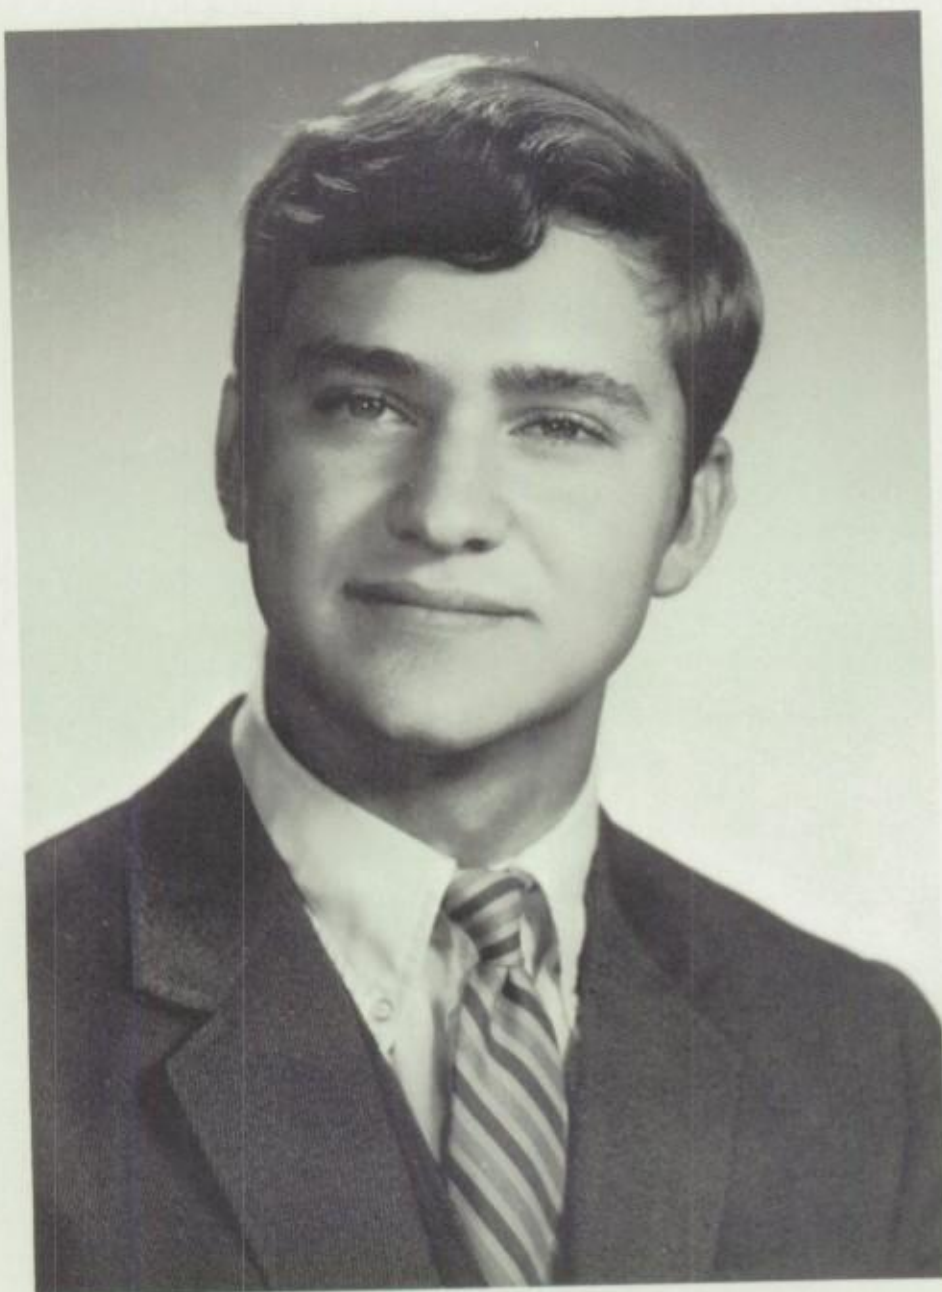

Danny lived in Holden, yet he seldom missed a day in school, a football practice, or a school event. Loyalty he had; that quiet reserved kind which means strength and perseverance. As a football manager he was always dependable, always playing the game.

Ken was a student helper in the gym, generous with his time and assistance. His bright smile will be missed. The Class of 1970 mourn in silence and wave farewell from the opposite shore.

Cindy,  
I know you have  
to put up with a lot  
of my fooling around and  
I'm glad you put up with  
it so strongly. I'll think twice  
next time I have something to say.  
I'll say one thing you sure have lighted  
up our classes. Hope to see you next year.  
Take care.  
(RON)

Cindy,  
I've gotten to know a lot  
of people better this year and I  
feel that you're one of them. We've  
had so much fun - remember  
Denise's surprise birthday party?  
And think of all the fun we've  
had in the Ski Outing Club - esp.  
the time the whole club stopped  
in at your place for supper.  
You're really great, Cindy, and  
have a lot on the ball - even  
though you have your problems in  
math. Have a great summer  
in Ellsworth and good luck!

Diana

kindy, we've been a lot of  
 through a lot of  
 school there's only one  
 more year left to go.  
 after our senior year we  
 can't let this friendship  
 pass, each to me, and I've learned  
 a great deal about you're through for  
 a great future because of the type of  
 person you are for you'll be able to see you'll  
 be in the top. I have fun with  
 summer, I know you'll be able to go to  
 be in too bad next year, I'm glad  
 it's school and won't be able to know that's  
 what you want, but in a way I'm glad  
 because we can continue our very close  
 friendship I know we both have a lot  
 different can attain our goals to be  
 me more is a strong word for  
 that we are because of the person  
 we are through and we  
 been together Pat

Cindy,  
The only  
thing I really got  
to know about you  
is your eating habits.  
Best of luck with the  
Trident next year.

Love  
Jennifer

Cindy - A good friend who  
can make anyone laugh,  
with her but not at her, over  
her serious questions. Keep  
smiling and don't lose your  
sense of humor. Good fortune  
to you always.

John
